Sometimes, I have to say, my best days are the ones I spend alone in my backyard patio. Only me (and the photographer). I can take it easy, wear what I want, or what I don't want. I can strip down, play with the things I like most. And send you these pictures of one of my best days.

# I got what I deserved

---

***We'd been married for only three years and it was time to try something different. My man told me that he had a surprise for me and he hoped I would like it. I told him that I like everything he does.***

---

Last Tuesday, I came home late from work exhausted, threw my briefcase down and saw my husband just staring at me. I instantly got a chill running through my body but had no reason to understand why. He took a sip from his brandy snifter and, without even saying 'how was your day,' told me to take my blouse off. I asked why, and then he said in a stern voice, "Because I say so. I'm the new Vice Principal, and there will be new rules to follow now."

I unbuttoned slowly, looking him straight in the eye and let it drop to the floor. He takes another sip, "Now the skirt." I unzipped it, and stood there in just my bra, panties and high heels. I felt myself beginning to get wet. "Finger yourself, and make your nipples hard." I ran a finger down there and rubbed my button, and teased my nipples with my other hand as he watched, fully clothed, still sipping his brandy.

"I've checked out your laptop and see you've been looking at some things are very inappropriate for you!" He's into his role quite well. I'm also getting wet, this is kind of fun!

"Vice Principal, I'm so sorry, please don't tell my husband! Anything, Vice Principal, anything! Please!" I'm not so bad of an actress, but I'm getting even hornier now.

He shakes his head and sips his brandy again. "I'm not sure what to do, nothing seems to work for you....I may have to go old school on you."

"I'll do better, I promise you."

"Well, then come over here and bend down over my knee. We'll see if some old fashioned discipline works for you." I've never done anything like this, but I'm soaking wet now! I assume the

position over his knees and he softly caresses my ass. Then his palm slaps it hard! I let out a yelp as I didn't think he'd spank me that hard, but another follows quickly!

Ten more slaps and my ass is buzzing, then he stops. He slips my panties down and caresses my ass again, and this time a finger slides into me easily as I've got a bit of natural lube in me. It feels so good. Then his fingers go further and he slips them deeper into my soaking wet pussy.

"What is this?" Vice Principal demands as he pulls his fingers out covered in my girl goo. "This is supposed to be punishment, not some sort of kinky fun! What kind of loose girl are you?" He demands. "Your husband should be notified immediately!"

I go to my knees. "Please no! I'll do anything. It's just that... I liked it because it was the Vice Principal doing it. Please don't get me in trouble with my husband. He would not understand."

"Well, I suppose I can let it go this time; there's no real harm in it, is there? However, if you do feel that way, I still think you need...." he pulls his shirt up and unzips his pants and pulls his rock hard cock out. "If you're going to be that way, you'll need to be taught. Put this in your mouth and lick it."

I take his cock in my mouth, and I suppose for the

role play I shouldn't be as experienced as I am, so I suck it slowly, only taking a bit in my mouth at a time. "Oh, now there's a well behaved lady, that's it, suck it good. Let's see what else you've got my dear." He pulls me to my feet and kisses me roughly. I kiss back, but he's well into character. His hands feel my pussy and he strokes me as I get wetter and wetter, and he puts two fingers in my pussy and them pulls them out puts them into my mouth. I lick them clean.

"You think you're very good, don't you?" He squeezes my breasts and unsnaps my bra. He takes my left nipple in his mouth and sucks it hard. I moan a bit as I'm incredibly hot now, and he kisses the other, and sucks them roughly, and I love it....

Vice Principal looks around and pushes me towards a dresser, and I sit on the edge and spread my legs for him. He drives his beautiful cock into me as deep as he can! I let out a gasp as I've been hot and wet, but a little anxious as the lines between the game and reality are blurring a bit, and he takes my pussy hard. He continues to kiss me and suck my nipples as he fucks me deeply and I raise my legs up to wrap them.

"You are good, but you still need a good fucking, and I'll give it to you!" The stuff on my dresser is flying everywhere, but I don't give a damn! I'm getting fucked really good by my man! My first orgasm hits me like lightning and I scream out.

---

# I got what I deserved

---

He grunts out as well, and he keeps slamming me as deep as he can! The dresser shakes, and eventually I hear cracking noises, but who cares? I'm loving this! I know he's close and I'm starting to dig my nails into his back and I'm hearing no complaints!

body was overwhelmed with the spread of pleasure from my pussy. He kept giving it to me hard, as my orgasm ended, he stopped, then pushed it in as deep as he could, then pulled out.

He pulled out a bottle of lube and squirted some

Suddenly he slams to a stop and I feel his orgasm as he comes inside me! He groans out his pleasure and our lips lock together. We kiss passionately for a few moments and he pulls out of me slowly. He grins. "You know once is not enough." He says nothing more as his cock is already in my mouth. I know it'll take a few minutes, but I'm up to the challenge. I gently lick it, lick his balls, caress his thighs. It's only a matter of a few minutes and he's growing in my mouth.

I licked the clear juice that started to bead on his slit, tasting the saltiness. "Now go bend over the sofa arm." He stood up and got behind me and I felt the tip of his cock part my pussy lips, then I felt his hands on my waist. He pushed it into me, and started rhythmically fucking me.

He slapped my butt cheeks, and started going faster. I was pushing back into him, needing it. I could hear his groin slapping against my bottom as he started to drill me harder and harder. I told him I was close, and he went even faster and I felt the climax rise inside of me. I moaned as my

into his hand. He rubbed some on his cock and then stuck a finger into my ass. It was cold, but it didn't hurt. In fact it just heightened my pleasure. I knew what he was about to do and I couldn't wait. It had always been a secret fantasy of mine to get fucked in the ass. I couldn't believe it was happening. Then, not fast enough, he got in place behind me.

Vice Principal pushed the tip of his cock into my ass and I leaned back so that he slid the rest of the way in. Then he started pumping in and out of me. As he built up steam and rhythm, my body felt like it was on fire. "I'm cumming!" I yelled.

Then he pulled out of me and got up. "I want to see you to swallow it like you do for your husband." I repositioned myself and looked up at him as I took his cock with both hands and pumped it in front of my face. I opened my mouth and it didn't take him long to shoot what he reserved into my mouth. He shot hard into my open hole and I swallowed it down greedily. "Thank you Vice Principal, I deserved that!"

## GIRL NEXT DOOR

### Allyssa Hall

I like my nipples sucked on until they get bumpy and hard, just like how they are in cold weather. I like a cock run over my lips until I take it the into my mouth and suck on it. I think I can suck a mean cock and I definitely like to test that out. When it cums to sex, I like it to start nice and slow, letting me adjust to it Then fuck the shit out of me. In any and every position; missionary, cowgirl, doggie, standing up, upside down; I love it all!

## Christa Moore

---

I'm think I'm bold, caring, loyal and intelligent. I know what men like - blow jobs, beer and steak - and I'm always in the mood to fuck. I also enjoy watching movies with that special someone, reading a good book and listening to music. I'm a meatatarian, but I'm very particular about what I put in my mouth: skinless white meat chicken, T-bones, and of course cocks. I've been told by a number of men I have an exceptional talent for performing blow jobs. My only fantasy is that my sex life continues to be as much fun as it is now!

# Clair Robbins

I know that when I took my wedding vows, I pledged loyalty, but that was a year ago. Somehow I don't remember that having to be the rule for my entire life. And, apparently my hubby's either. He started it and I decided to finish it. Now I'm single and it's the smartest thing I have done. I'm back to being the girl next door instead of the lonely, disappointed housewife!.

# my lust knew no bounds

I didn't get laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a woman with sweat running down her body? So I got myself ready to go clubbing. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this... all the time I took to get ready for him. I'm waiting in anticipation for him. I'm more than just hungry for the right person, I am desperate for that man who wears that new cologne, walks up and slips his hand between my legs, rubbing my skirt as I sit atop my bar stool staring into his eyes. There is a desire running in me. It is mounting, gradually rising, and should I say it's becoming a raging mad ball of fire within me. As I become hornier for him, watching one after another walk past me, I get wetter and wetter. The moisture within has built to a credible amount that is soaking the crotch in my panties.

At the club... two plus hours have come and gone and I've looked around but no one, yes nobody has approached me this night, so I am going home. I really like the bartender. He has been sweet and gracious. He was so nice and wished things were different. He was not beautiful, but he was nice and gracious. He told me at the very last

minute he'd ask me out if conditions were different. I thought I would have fucked him only because I was bored, lonely, and already horny. I wouldn't tease... I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage... of my situation which was a good idea, maybe. Sometimes I wished I had.

I thought I would have fucked him only because I was bored, lonely, and already horny. I wouldn't tease... I'd simply fuck him for the fuck.

Just as I got into my car, some guy yelled out asking me why I was leaving so soon. I thought that was bold but told him "Yes I was, had to go." He said he wished I would have stayed so we could have danced. I thanked him in my own way but obviously not face to face. Using my imagination, my orgasmic Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy he could get me to orgasm while we slow danced. All he did while we danced was finger my clit, going underneath my skirt... and I loved it. I always love my fantasies. I've come up with some doozies I think.

Thursday... another boring day I told myself. I called an old friend who I knew to go shopping. I was going to ask her to go to the club but didn't. I went shopping with her but she and I really didn't have much in common by days end and it wasn't that fun... so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by ten pm, I gave in and went over to the place.

Going into the club, I walked over to the bar. He wasn't working that night. I was disappointed. I asked

the girl behind it and she said he was coming in soon to help out, if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked for a while. It was an extremely slow night. There were two on duty, her, and another guy. He was new, but she told me he was experienced. I thought, since I was bored and lonely, 'how experienced is he?' She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home, or she could come home with me and have sex with me.

**I've never had sex...** with another female before, although I've goofed around in college back when I was a freshman and sophomore, but not as a junior or senior. But that was over twenty years ago. No... not this year I haven't, either. Things are different this year. I thanked her and told her maybe I'd think about it for another time. She said it was okay and understood.

I stayed to closing once again trying not to be too obviously inebriated. His name was Sandy, the new bartender. We talked as he cleaned the bar. He comes from a nice family. As he finished, I asked him what he wanted and he answered almost the exactly same way I would have. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I would not be disappointed because I was horny and anything would do.

He was horny too. We didn't waste time as Sandy made the first move. He leaned towards me as I watched his eyes close in on mine. It was beautiful.

**He and I sat on my couch...** talking as he looked around my room and noticed how modestly decorated my room was adorned. While I looked with him, he laid his hand on my thigh moving it across and down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton... a person could blow at it and it would float up in the air. I liked it because of it's free floating texture, because the skirt always put me in a cheery mood. He liked it too because to him, I'm sure, it was an

invitation to sex. I subtly opened my legs allowing him some movement, and then I opened up more. I wore a matching lightweight top. I hoped he would take notice and move in on my breasts. They are large and firm. I'd been told that they are everyman's wet dream and I've exploited them that way before.

**I began to like...** Sandy more and more. We began to kiss. I felt Sandy' tongue. I tugged at him. I wanted Sandy and me to make love terribly. I wanted Sandy to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I am sure, but I didn't know it. He unbuttoned me as I wished. I smiled with fear. I wanted that but I feared I wasn't doing the right thing either. Once he unbuttoned me completely, he didn't remove my top. He looked underneath and was overjoyed with what he saw. I was elated. I was anxious. I was hornier. I wanted him so much.

**I love my breasts...** I wouldn't change them. Guys love breasts, too. They seem to hold special powers, I sometimes think. So some days, like today, my breasts are offerings... to Sandy. I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. He smiled and I knew I was right. Then I removed my skirt for him, too. Doing it said I was ready to make love to him. Sandy took off his shirt.

**We didn't waste time as Sandy made the first move. He leaned towards me as I watched his eyes close in on mine. It was beautiful.**

I liked Sandy's chest right away. It was manly enough. I rubbed it. I liked it more. He smiled when I did. I asked him if he was smiling because of what I was doing. If it was nice. He said to me, "It's awesome." We laughed so I took of my top. He told me he was really turned on. I told him I was too. I asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

**When I felt his bulge...** which was magnificent, an indescribable rush waved throughout me. I asked him if I could take his pants off. He said yes. I was hot all over! I was going insane! I unbuckled his belt, un-snapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw his splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him.

**I don't know...** what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely, I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long,

stiff and lean just like him. Then I took it in my mouth and gave him the best blowjob a woman could give any man.

**He was completely naked...** staring at my breasts. Sandy, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen."

Then Sandy put his arms around me and we kissed and kissed for a very long time. Bare naked, I turned holding his hands, and I walked

back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Sandy caressed my boobies, and then all around them. Sandy quietly kissed and caressed me everywhere. When I say everywhere, I mean anywhere and everywhere. It was and it wasn't intense. Building up to a moment of final ecstasy, Sandy's hands swarmed over me in areas no one has ever touched me before.

**Sandy's fingers...** slipped inside my butt cheeks, slowly inching their way through to my hole. Not forcing his way, he delicately slipped them into my ass hole. I squealed, but I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then I took his hands and brought them around me and down to my clit. My sexuality was blooming and all the sensations seemed amplified.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two plunging thrusts into my ass and felt his warmth gush deep inside me. We collapsed on the bed, his weight on top of me and I came once again. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and more importantly, to me as a woman.

**I saw his splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit.**

A woman with long dark hair, wearing a red and white patterned bikini top and denim shorts, is posing outdoors. She is looking towards the camera with a slight smile. Her hands are resting on her hips. To her right, another person's torso is partially visible, also posing. The background is a blurred outdoor setting with greenery and a wooden fence.

# tight feels so right

Looks can be especially deceiving. In Mandy's case, she's beautiful. Yes. She's smart. Yes. She loves the sun. Yes. She a sweet girl (not always). She's got a dirty mind and she likes her sex long and hard.

And she expects it to last all day, because if she's giving her body and tight pussy to you, she's not packing it up and taking it home. She wants to do you... all day long.
